Ezy Wind®

HIGH PRESSURE SPRAY REELS

LIGHTWEIGHT WITH SOFT START ELECTRONICS

**LEFT OR RIGHT HAND DRIVE
AUSTRALIAN MADE**

**ELECTRIC WITH or
WITHOUT REMOTE CONTROL**

Our unique modular design reel is folded from a single sheet of high grade aluminium and is built tough and robust to suit any type of vehicle application whether it be for spraying, cleaning or high pressure use. Electric and Remote Controlled Reels are powered by 12 or 24 volt heavy duty gear-driven electric motors with heavy duty 3/8" roller chain drive. The electrics are the latest 'State of the Art' technology using circuit board electronics with soft-start control.

- STAINLESS STEEL AXLE
- STAINLESS STEEL FAIRLEAD ROLLERS,
- STAINLESS STEEL CRANK HANDLE
- STAINLESS STEEL BOLTS & NUTS
- UHMW BEARINGS
- STAINLESS STEEL HIGH PRESSURE SWIVEL
- AVAIL IN 12 OR 24 VOLT
- WITH OR WITHOUT REMOTE CONTROL

MODEL	HOSE I.D. (Inch)	HOSE I.D. (mm)	CAPACITY (m)	WEIGHT (kg)	REMOTE CONTROLLED	SWIVEL OPTIONS on either model
HIGH PRESSURE SPRAY REELS						
KR10012	1/2"	12.5	100	34	NO	In-Line Swivel
KR10012-REM	1/2"	12.5	100	34	YES	Operates at up to 4000 psi (27.5 bar)
						OR
KR7512	1/2"	12.5	75	32	NO	90 degree Swivel
KR7512-REM	1/2"	12.5	75	32	YES	Operates at up to 5600 psi (38.5 bar)
